HOW TO COMPLETE THE APPLICATION TO AMEND, OR RENEW, OR TRANSFER A WORKS LICENCE

Question 1 – Works Licence number

This number can be found on the copy of the Works Licence record. Alternatively, you may apply to your Water Corporation for a copy of the Works Licence record.

Question 2 – Works number(s)

Please note an Application for the Issue of a Works Licence (form 29) is required to construct new works. All works are given an identification number (eg.WRK123456) in the water register. All works linked with a works licence are listed on the licence copy of record which is issued with that licence. To add or remove existing works from the works licence, please provide the relevant works number.

Question 3 – Amending the extraction rate and other conditions

You may wish to increase the extraction rate because you wish to irrigate a larger area or because you wish to change to a crop with a higher demand for water or you may wish to increase the maximum volume of water per day available to you during times of rationing.

If you are applying to increase or decrease the extraction rate, the extraction rate specified will be assessed against the area of the land to be irrigated (and other factors) to determine if the proposed limit is appropriate.

Question 4 – Works Licence owner(s) signatures

All Works Licence owner(s) must sign. If there are more than 4 Works Licence owner(s) please fill out the same information for the additional Works Licence owners in Annexure WLW (attached). All notices will be sent to the postal address of the first named person.

Question 5 – Buyer(s) details if transferring the licence

Please provide the name(s), signature(s), address and phone number(s) as appropriate.

Question 6 – Lodging party

Please provide the name, signature, contact telephone number and party identification number if a lodging party is coordinating the application. If the lodging party has not received a party identification number, an identification number will be issued on receipt of this application. A letter regarding the approval, refusal or a requirement of more information will also be sent to the lodging party (if relevant).
