EXPLANATORY NOTES: APPLICATION TO VARY A WATER-USE LICENCE OR WATER-USE REGISTRATION

General

1. This application can be used to:
   - vary the allocation bank account (ABA) to which a water-use licence (WUL) or water-use registration (WUR) is linked
   - vary a works licence(s) (WLE) to which a WUL/WUR is linked
   - vary the annual use limit of a WUL/WUR
   - vary WUL conditions, or WUR purpose.
2. It may be useful when completing this application to have the WUL or WUR Copy of Record. A Copy or Record is issued when a WUL or WUR is approved. Alternatively you may obtain a Copy of Record from the water register website http://www.waterregister.vic.gov.au/Default.aspx or your Water Corporation.
3. WULs/WURs cannot be varied to add or remove a parcel of land (Volume/Folios). To add or remove Volume/Folios you must apply to cancel the WUL/WUR (using Form 25) and apply for a new WUL/WUR (using Form 23).
4. You may nominate an existing ABA to link to the WUL/WUR. However if that ABA is linked to a water share, the water share must also be associated with the land that is covered by the WUL/WUR. For this reason you must also apply to associate that water share with the land covered by the WUL/WUR (using Form 9) and provide the application number at question 2.
5. You may nominate an existing ABA to remove from the WUL/WUR. However if that ABA is linked to a water share, the water share must also be varied to revoke its association to the land which is covered by the WUL/WUR (using Form 9). In this case please provide the Form 9 application number at question 3.

Water-use Licences Only

6. If you are applying to vary the area to be irrigated under a WUL or to vary the annual use limit (AUL), a revised Irrigation and Drainage Plan must accompany your application if required by the Water Corporation. Irrigation and Drainage Plan details are available at http://www.land.vic.gov.au
7. Your application will be referred to an Irrigation Development Case Manager if required by the Water Corporation.
8. If you want to add / vary or revoke any particular condition(s), other than the annual use limit, please notify your Water Corporation.
9. *Lower Murray Water Customers please note:* Your water-use licence may be in a salinity impact zone where there is a cap on annual use limits – please contact Lower Murray Water for advice.

Water-Use Registrations Only

10. Water used under a WUR is not fit for any use that may involve human consumption without first being properly treated.
